Full-Stack Engineer // UI/UX Designer //

Founder @ REGIX

[⚡ STATUS: OPEN FOR IMPACT PROJECTS]

[📍 LOCATION: KOLKATA, INDIA]

TECH STACK & ARSENAL

Category	Technologies	Power Level
Frontend	Next.js • React • TypeScript • Tailwind	<div style="width: 85%; background-color: black; height: 10px;"></div> <div style="width: 15%; background-color: #ccc; height: 10px;"></div>
Backend	Node.js • Bun • SQLite • API Design	<div style="width: 70%; background-color: black; height: 10px;"></div> <div style="width: 30%; background-color: #ccc; height: 10px;"></div>
Design	Figma • Adobe XD • Photoshop	<div style="width: 90%; background-color: black; height: 10px;"></div> <div style="width: 10%; background-color: #ccc; height: 10px;"></div>
Motion	After Effects • Premiere Pro	<div style="width: 60%; background-color: black; height: 10px;"></div> <div style="width: 40%; background-color: #ccc; height: 10px;"></div>

MOTION GRAPHICS & CREATIVE REEL

Visual Style: *Liquid Glassmorphism | Cyberpunk Aesthetic | High-Frequency Transitions*

- **UI/UX Prototyping:** Crafting high-fidelity motion prototypes in **Figma** to simulate seamless user journeys.
- **Video Production:** Lead Editor for **GURU ESPORTS**, creating high-octane cinematic intros and motion posters.
- **Dynamic Components:** Implementing **Framer Motion** and **GSAP** for "living" web interfaces that react to user intent.

MISSION LOGS (Experience)

REGIX STUDIO / EKBAL STUDIO

CEO & Lead Engineer | 2026 — Present

- Architecting a scalable **E-commerce ecosystem** with a focus on speed and "Liquid Glass" aesthetics.
- Scaling the brand from a local startup to a digital powerhouse.

TEAM REGIX / VNS ANON

Branding & Strategy Lead | 2024 — Present

- Engineered the complete visual identity for an international **Esports Organization**.
- Grew digital engagement through data-driven content and motion-heavy social media campaigns.

KNOWLEDGE BASE (Education)

- **Diploma in IT Programming (CST)**
 - *Polytechnic Institute, West Bengal*
 - Focus: Data Structures, Web Systems, and System Architecture.
